

## Failing

1. Some times I fail and fall in  
2. My soul is over-whelmed, dear

sin, Think - ing there's no hope to live;  
Lord, I just don't know what to do.

No one at the door to let me in - No one  
I don't take the time to read Your word; I for -

there, new life to give. But You  
get to just thank You.

find a way to make me see;

I see Your Son up - on the tree,

And I see the way, the way to

be - Know - ing He would die for me.
