*f* God is, God was, and God will al-ways be.

God is, God was, and God is call-ing me.

*p* Be-fore He said, "Let there be light,"  
And when He breathed the breath of life, He had a plan for me.  
And when my Lord was cru - ci - fied,

*mp* Be-fore He made the world just right, He had a plan for me.  
And when he gave to man a wife, He had a plan for me.  
When He was mocked, and when He died, He had a plan for me.

*mf* Be-fore He made the beasts and birds, He had a plan for me.  
When Ad-am ate the fruit with Eve, He had a plan for me.  
And when the stone was rolled a-way, He had a plan for me.

*f* Be-fore He fash-ioned with His words, He had a plan for me.  
When God from Ed-en made them leave, He had a plan for me.  
And when He comes a-gain that Day, I'll live et-er-nal-ly!

*f* God is, God was, and God will al-ways be.

God sent His on-ly Son to die and set me free!
